Gettin' Jiggy With it!

A Guide to the jigsaw Pieces in creatures Playground

1 HATCHING YOUR FIRST NORN

- Click on the egg in the basket move it to the cradle. Click again to drop it
- When your Norn hatches you can choose to keep the name that the naming machine has chosen or click on the X to choose a new name. Click the tick to accept your new name

2 GETTING OUT OF THE FIRST ROOM

- Click on your Norn to hold its hand
- The two floating characters in the corners of the play area will help you teach your Norns
- Clicking on Jet in the left hand corner will punish your Norn
- Clicking on Stickle in the right hand corner will reward your Norn
- The door on the left of the Nursery leads to different parts of the house. Click on the door to open it and lead your Norn through

3 ENTERING THE PLAYGROUND

- Lead your Norn to the Playground by going through the Dressing Up room and the Kitchen. The door on the left of the Kitchen will lead you outside
- Once you are outside, guide your Norn to the left past the Garden and through the garden gate on the far left of the screen
- Lead your Norn to the yellow boat and click on it to get to the other side of the swamp

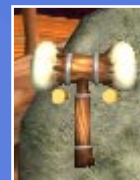

4 THE FISHING GAME

- Click on the fishing rod to play the game - if you don't get it the first time keep trying!
- You need to catch an Urrg bone. There are 4 to find throughout the game

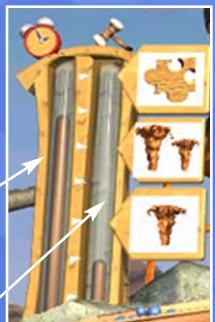

5 PLAY WHACK-A-MOLE

- Click on the hammer hanging on the rock to select it
- Line up the hand with the emerging heads and click to bop the Mud Moles on the head as fast as you can
- The better you do, the faster the Mud Moles will appear
- Check your score, you could earn a jigsaw piece

Timer: Mud runs down - you're running out of time!

Winnings: Mud rises showing you what you've won

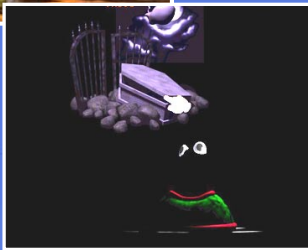

6 HAVE A GO ON THE BIG WHEEL

- The big wheel is operated with the controls that sit at its base
- Click on the button labelled with a 1 to start the wheel and stop it by clicking on the button marked with a cross
- Stop the Wheel with the aeroplane on the bottom and then place your Norn next to it.
- Click on the aeroplane to put your Norn inside then click on the 3 button to get the Wheel spinning at full speed. You will then get a surprise and a jigsaw piece

7 HAUNTED HOUSE RIDE

- Lead your Norn next to the cart and click it
- As you travel through the haunted house, a red light will periodically appear
- When the red light comes on click on as many objects as you can
- Concentrate on squidging all the eyes for a jigsaw piece

TO WIN THE SECOND URRG BONE

- Click on the skeleton when it jumps out of the coffin

8 PIRATE GALLEON ARCADE

- Roll your mouse over the Galleon Arcade and the game will automatically start
- The hand will turn into a crosshair, and a scoreboard sail will unfurl from the top of the ship
- To play use the water hose to shoot the targets that appear
- Shoot all the targets twice and earn yourself two jigsaw pieces

9 TRY YOUR HAND AT THE STRENGTH-O-METER

- To play the Strength-o-Meter, click on the hammer and see how strong you are
- Only a Norn can win a jigsaw piece however. You must try to convince your Norn play
- Some Cactus Juice will make him strong enough to win!

To play, click on the hammer

Get your Norn to drink the second juice from the left to get that jigsaw piece

10 THE UNDERGROUND CAVES

- These can be found to the far left of the world
- Click on the entrance and guide your Norn inside

Find all four artefacts in the caves

- Click on the axe hanging on the rock wall to select it
 - Click it over any rocks you may find
 - To replace the axe place it over the area where you found it and click again
- You'll notice another wall with some shapes carved into it
- Stick the treasures in the relevant places on the collector's rack, and you'll win a special surprise

Click on the Pick Axe

URRG vs GRENDDEL-O-SAURUS - Get all four of Urrg's bones:

- So far, you should hopefully have received two of Urrg the Cave Norn's bones: one in the fishing game, and the second one in the Haunted House ride
- If you haven't got them as yet, and you want to complete the jigsaw puzzle, you will have to go back and find them
- The remaining two are still to be found. One of them can be found here in the caves - use the pickaxe to break the rock as illustrated above

- The last bone can be found by the Bobsleigh game. You need to select the red bobsleigh to get Urrg's bone (see the Winter Play area for details)
- Once you've found the last bone, you can go back to the caves for a surprise
- Click on the now unlocked door at the far left of the caves
- Wait for your surprise!

Click on the blue liquid and pour it into here

Morphomatic Machine (far right)

Click this lever to activate the machine

11 BE A MAD SCIENTIST IN THE MAD LABS

- Madlabs is a secret location, and the entrance to them can be found inside the Caves
- You need to have your Norn stand on the trapdoor in the middle of the cave floor
- Click on the trapdoor, and your Norn will fall through into the Mad Labs
- Place your Norn near the morphomatic machine (see above) and click on the door to open it. Click again to close the Norn in
- Fill the bottle with blue liquid by clicking on the blue vial above the door
- Activate the machine by clicking the lever on the right of the machine
- Click on the door to open it and get a surprise and a jigsaw piece

The entrance to the Caves

Press the red button to call the lift

USING THE LIFTS

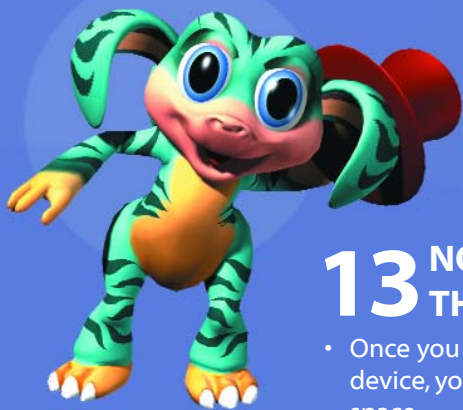

- The lifts outside the entrance to the Caves will take you to the Night Time Mountain Top
- Lead your Norn in front of the lift and click on it to close the Norn in

Norn Transmutation device

12 NIGHT TIME MOUNTAIN TOP

- From here you can get to the Space Ship, which will eventually lead to the Winter Play Area and the Bobsleigh game where you can get Urrg's last bone and a jigsaw piece
- When you come off the lift guide your Norn to the Norn Transmutation device on the far left
- Click on it to open it and then click again to ensure your Norn is safely inside

13 NORNS IN SPACE! THE SPACE SHIP

- Once you get out of the Transmutation device, your Norn will appear floating in space
- Click on the purple button in the middle of the tractor beam unit on the outside of the Space Ship to beam your Norn into the airlock
- Once your Norn is in, guide your Norn through
- To the right of the glowing red pad in the centre of the Space Ship is a control box with two buttons
- Click on the tree icon to beam your Norn to the Winter Play area

Click on this trap door to return to Night Time Mountain Top

Click on the purple button to beam your Norn inside the Space Ship

Click on this icon to go to the Winter Play Area

14 THE WINTER PLAY AREA

- Click on the penguins and eventually you'll get a jigsaw piece
- Lead your Norn to the chair lift
- Click open the door
- Guide your Norn in, then click on the door to close it
- Your Norn will ride the chair lift to the Bobsleigh game

BOBSLEIGH

- Select your Bobsleigh by clicking on the left and right arrows on the sled shed
- Pictures of your chosen sled will appear above the arrows
- Once you are happy with your choice, click on the red button and your sled will appear out of the shed
- Clicking on the red sled will guarantee a fast ride
- Click on the sled to open the door, and then click again to put your Norn inside
- Avoid all the obstacles by clicking on the bobsleigh to move it left and right - out of the way of the objects
- Try and get up as much speed as you can
- Clear the jump and you'll get a jigsaw piece
- To leave this area, walk through the door to the right of the hot drink stand and you will be back in the space ship

Are you Jiggy yet?
